

Introduction: Connect to TU Wien VPN

1. visit <https://vpn.tuwien.ac.at>
2. Log in with your TU Wien credentials:

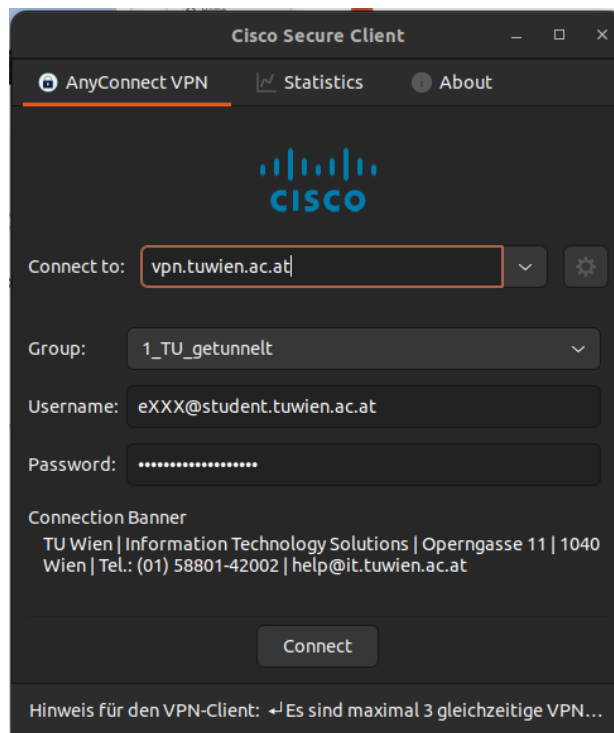

The screenshot shows a web browser window titled "Login" with a blue background. It contains German text providing instructions for VPN clients, including a limit of 3 simultaneous connections and a link to end sessions. It lists authorized user accounts: UserID@tuwien.ac.at, UserID@student.tuwien.ac.at, and UserID@vpn.tuwien.ac.at. It also advises using "1_TU_getunzelt" for VPN resources and "2_Alles_getunzelt" for library access. At the bottom, there are input fields for "GROUP:" (a dropdown menu showing "1_TU_getunzelt"), "USERNAME:" (containing "eXXX@student.tuwien.ac.at"), and "PASSWORD:" (masked with dots). A "Login" button is at the bottom right.

3. Click on “Download for Linux/Windows/macOS”
4. Follow the installation instructions by clicking on the tab “Instructions”

5. Open the Cisco Secure Client
6. Type “vpn.tuwien.ac.at” into the field “Connect to:”, choose Group: “1_TU_getunzelt” and log in with your TU Wien credentials:

7. Click on “Connect”.
8. Now you are connected to the TU Wien-VPN and you can access the IUE-Cluster.
